

Dal 1973 produciamo divani e poltrone.

Dal 1998 entriamo con Adrenalina negli ambienti del futuro.

Dal 2000 diamo corpo ai vostri sogni realizzando i vostri disegni.

Sedute per spazi collettivi o domestici, su misura o su progetto.

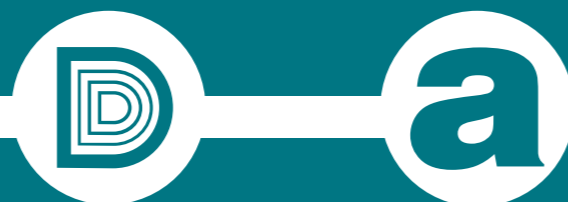

Il catalogo **TRACKS**<sub>2015</sub> racconta il nostro percorso, le esperienze, le idee che danno forma alle sedute sulle quali ogni giorno si siederanno migliaia di persone.

**Domingo Salotti** attinge dall'esperienza dei propri maestri falegnami e tappezzieri, affiancati da giovani intraprendenti impegnati nella ricerca di materiali e nello sviluppo di prodotti adeguati alle nuove esigenze tecniche e stilistiche. La perfetta armonia tra le due generazioni rappresenta la chiave del nostro successo.

**Adrenalina** è un progetto che nasce dalla volontà di rompere gli schemi nel mondo dell'imbottito.

Passione, creatività, flessibilità ed evoluzione continua guidano i nostri passi nel realizzare sedute per hotel, ristoranti, uffici, navi da crociera, discoteche.

La nostra missione: rendere confortevole ogni momento della vostra vita.

In 1973 we started making sofas and chairs.

In 1998, since the birth of Adrenalina, we've been imagining and creating the spaces of the future.

And in 2000, we started producing on demand, following our customers' designs – your designs – giving shape to your dreams.

We make seating creations – both for public and domestic settings, customised or standard.

This catalogue **TRACKS**<sub>2015</sub> tells our story, the path we have followed so far.

It recounts our experience and the ideas that shape the sofas, the chairs, the benches that seat thousands of people every day around the world.

**Domingo Salotti** thrives thanks to the experience of its skilled carpenters and upholsterers and on the resourcefulness of the young craftsmen who work alongside the masters and share in the search for the best materials and in the development of new state-of-the-art products.

**Adrenalina** is a project born out of the will to think outside the box in the field of upholstered furniture.

The perfect harmony between these two generations is the key to our success.

Passion, creativity, flexibility, and constant evolution have always guided our way in creating seating solutions for hotels, restaurants, offices, cruise liners and discos.

Our mission is to make every moment of your life comfortable.
